Travel the World - Support the NHSRA!

Book your travel at www.nhsratravel.com

The NHSRA now has its own travel website hosted by "YTB Travel," the second largest internet travel service!

Portions of the commissions paid by all travel booked at the NHSRA site supports the NHSRA and its programs. *The royalty is paid from the commissions and is not added to the price of your ticket, car, hotel room or vacation package.* Support your organization through this new site any time you travel. You can book hotels, rental cars, airline tickets, vacation packages, and cruises - any type of travel accommodations or vacations available.

YTB rates are very competitive and comparable to other travel web sites. So when you are booking your trip to the Mid-Winter Meeting or your next vacation, business trip or "weekend get away," consider using www.nhsratravel.com. Remember, anyone can utilize this site and support the NHSRA. And it can be used for any travel, any time, anywhere. Your travel does not have to be for high school rodeo business. So share this great opportunity with your family, friends, business associates, employers and anyone else who books travel. We appreciate your support!
